482
INPATIENT
ROOMS

2
CLINICAL
TOWERS

864
UNDERGROUND
PARKING SPACES

EXPANDED
CLINICAL RESEARCH
SPACE

ADVANCED
IMAGING AND
PROCEDURAL AREAS

STRONG PARTNERS. STRONGER COMMUNITIES.

Charles D. Sheehy is proud to continue our 75-year partnership with J.C. Higgins on the Phillip & Susan Ragon Building at Massachusetts General Hospital.

Together, we supported the hydronic and steam distribution systems for both the base building and fitout, bringing quality, reliability and trust to a transformative healthcare project.
